ADVERTISEMENT FOR BIDS PRICE MUNICIPAL CORPORATION

Surplus, Sell Old Boiler. Price City requests sealed bids from buyers interested in the old heating boiler in the basement of the swimming pool building, 250 East 500 North, Price, Utah. Purchase will be awarded to the highest bidder. The successful bidder will have salvage rights and be required to completely remove the entire boiler.

Purchase Ozone System. Price City is interested in the purchase and installation of a Swimming Pool Facility Ozone Generation System, Project No. #5C-2004, at the swimming pool building, 250 East 500 North, Price, Utah. The project will be awarded to the lowest bidder. Additional information and specifications can be accessed by calling the Price City Public Works Complex at 435-637-5010.

Each of these bids should be delivered independently in a sealed envelope, marked with the project name, to the City Recorder, no later than 5:30 P.M., Wednesday, September 8, 2004, City Hall, 185 East Main Street, P.O. Box 893, Price, Utah 84501.

LEGAL NOTICE

Canyon Fuel Company, LLC, of Salt Lake City, Utah, has submitted to the Utah Division of Oil, Gas and Mining, a complete application for a Post Mining Land Use Change at the Banning Loadout. The land use change to industrial will cause removal of approximately 0.83 acres from the existing permit area including 0.41 acres of existing disturbed area acreage. The land proposed for removal was purchased for industrial purposes by East Carbonics, Inc., a Utah corporation.

The address of the applicant is: Canyon Fuel Company, LLC, 6955 South Union Park Center, Suite 540, Midvale, Utah 84047.

Canyon Fuel Company, LLC, operates the Banning Loadout which is currently in temporary cessation. Banning Loadout is located approximately nine (9) miles southeast of Wellington, Utah, within the west half of the southwest quarter of Section 15 and the east half of the southeast quarter of Section 16, Township 15 South, Range 12 East, Salt Lake Base Meridian. The area designated for post mining land use is in the SE1/4SE1/4 of Section 16 on land belonging to East Carbonics, Inc. The currently approved Banning Loadout mining permit number is C/007/034. The permit area is within the Sunnyside Junction, USGS 7.5 minute quadrangle map.

A copy of the permit will be available for inspection at the Utah Division of Oil, Gas and Mining, 1594 West North Temple, Suite 1210, Salt Lake City, Utah or the Price, Utah field office at 455 West Railroad Avenue. Written comments or requests for an informal conference regarding this application must be submitted to the Utah Division of Oil, Gas and Mining, Attention Coal Regulatory Program, 1594 West North Temple, Suite 1210, Salt Lake City, Utah 84114-5801 within 30 days of the last publication date of this notice.
